Lending Into Retirement

For employed and self employed applicants the term of the mortgage must not exceed the earlier of the applicant's intended retirement age or the age of 70. We may lend beyond the applicant's retirement age subject to the following:

If the applicant is **greater than 10 years from the agreed retirement age** then:

- The applicant must sign a Lending into Retirement Declaration to confirm they are aware the loan extends past their retirement age stating how they plan to meet repayments post retirement;
- Where pension income is intended to be used to meet payments post retirement then the existence of a plausible pension provision must be evidenced by sustained contribution into a pension by way of payslips or current year's pension statement. If there is a concern over the level of pension payment being made then a full illustration of projected benefits may be required

If the applicant is **within 10 years of the agreed retirement age** we may proceed on a **referral basis only**. In addition to the above, a full assessment of affordability post retirement must be completed based on:

- The expected income post retirement;
- Expenditure may be adjusted to reflect known changes in income such as maturity of a first charge loan or other committed loan payments or a reduction in number of dependents

Please ensure that the Affordability Assessment Form, affordability assessment post retirement, lending into retirement declaration and any relevant proofs are sent as part of the referral.

Lending to Retired customers at point of funding

Proof of Residency

The following will be accepted as proof of residency:

- Utility Bills;
- Bank Statements.

Know Your Customer Requirements (KYC)

Together has procedures in place to protect itself and others from financial crime.

It is a requirement that brokers and lenders verify identification for every customer. As part of that process we must take reasonable steps to establish that a customer is who he/she claims to be by obtaining sufficient evidence of identity.

In most cases Electronic Identification (EID) will satisfy our Know Your Customer (KYC) requirements. The EID result must be a 'pass' and the applicant must be on the voters roll, which will satisfy KYC for that applicant.

In cases where full KYC requirements are needed certified copies of documents will be acceptable from Accredited and FCA Authorised brokers. We will also accept documents certified by the applicant's solicitor provided they are registered with the Law Society.

As a broker you must (if applicable):

- a. see original documents and provide certified copies with date validation;

- b. check that any documents requiring a signature have been pre-signed; and
- c. confirm where possible that any associated photograph of the applicant bears a good likeness.

Non UK Passport Holders

We are happy to proceed with applicants who have passports from the following countries who reside in the UK:

Any EU country, Switzerland, Channel Islands, USA, Australia, Canada and New Zealand.

Any applicants who do not have a UK Passport or do not satisfy the above criteria are subject to underwriter referral.

UK Passport Holders Living Overseas

We are happy to proceed with applications where a UK Passport holder is resident in the following countries:

Any EU country, Switzerland, Channel Islands, USA, Australia, Canada and New Zealand.

These applications must be witnessed by a Notary Public.

Any applications for a UK Passport holder residing in a country outside the list above are subject to underwriter referral.

Redemption Administration Fee

On redemption of the loan a fee of £195 is charged.

Responsible Lending

If a client is re-mortgaging or redeeming a second charge it must be in the client's best interests and to their benefit.

Please check the following before submitting your application:

- It must be evident from the credit search that the Customer's financial position is stable or improving.
- Applicants with defaults should not have taken payday loans in last 12 months as we will not lend in this situation.
- The expenditure stated on the affordability assessment form should be reflected from any evidence you have seen such as bank statements before submitting the case to us.
- We would expect the stated expenditure and affordability to reflect the last 12 months credit profile for example, we wouldn't expect low expenditure and a high relative MAMR if the customer is using payday loans, are not servicing current credit commitments or they have credit card balances which are close to their credit limits. Obviously in these circumstances it may suggest that the stated expenditure is inaccurate as the credit profile infers that there is a strain on their current affordability and you should review this with all the evidence that you have and challenge the customer where their responses do not seem plausible.

Self-build Properties & Developments

Each case considered on its own merits. Strictly by underwriter approval only. Must have NHBC, Zurich or Premier Guarantee or Architect's Certificates along with a copy of the architect's indemnity details.

Shared Ownership Properties

No Bypass Schemes accepted. For purchases, a draft lease will be required which must include a Mortgagee Protection Clause (MPC). If there is no MPC then LTV is restricted to 60% of the client's share. Term loans and mortgages are subject to all approval conditions of the Housing Association. Once the lease has been reviewed your underwriter will provide you with a list of requirements to complete the case. Strictly subject to underwriter approval.

Solicitor's Costs

The customer is responsible for paying own legal costs. No Together legal costs will be charged.

Solicitors to Witness and Advise

Up to £150,000 not required. Required on certain cases, e.g. loans >£150,000, clients of state pensionable age, customers who appear to be vulnerable, parent and child borrowers, etc. Independent Legal advice will be required if the mortgage is for business purposes and for a married couple where the business only relates to one of the applicants. All solicitors acting for clients must have 2 or more partners within the practice, with a Law Society membership of 5 years or more. If the client's solicitor does not fulfil these requirements please refer to the underwriter. Please refer to the General Underwriting and Processing Guide for more information. If the applicant(s) do not speak English as their first language then they must receive Independent Legal Advice and a solicitor must witness the documents. The Solicitor should complete the Solicitors Witness and Advice Certificate specifically for non English speaking applicants, and establish that the applicants will have support throughout the life of the loan to help interpret any correspondence we may send to them.

Telegraphic Transfer

£30 fee.

Title Deeds

The Title Deeds to the property are always required when lending on a first charge unencumbered property in Scotland.

Residential Mortgages

Terms & Conditions (Page 2 of 2)

Title Insurance

No charge.

Underwriter Referral

Please use the 'Out of Plan Assistance Form' should you need to refer an application for any element prior to submission.

Vulnerable Applicants

A vulnerable applicant can be described as "someone who due to their personal circumstances is especially susceptible to financial detriment".

Should you have any reason to believe that an applicant is vulnerable for any reason, perhaps they have declared they have a mental health issue, are recently bereaved or they appear to have difficulty in understanding the loan application process, then you should take additional care to ensure that they understand the transaction and make us aware if you have any concerns about them and their loan application.

MORTGAGES

Capital Repayment

All products are available on a capital and interest basis.

Interest Only

Interest only is available across selected products and are strictly subject to the plausibility of the repayment strategy. Acceptable repayment strategies are the sale of owner occupied property (downsizing) and the sale of a second property, where there is sufficient equity to make this strategy plausible. Other repayment strategies considered include tax free cash from a suitable pension plan, endowment policies and stocks and shares ISAs.

The following repayment strategies will NOT be accepted: Sale of property to move into rental property / Cash Savings (inc cash ISA) / Switching to Capital Repayment mortgage / Re-mortgage / Inheritance / Increase in house prices / Sale of business. The Interest Only Declaration should be completed by the customer which an Underwriter will assess.

ASSESSING AFFORDABILITY

It is important that the broker and the lender assess an applicant's affordability thoroughly to ensure that they can afford the loan both now and in the known future.

To assist you in making this assessment mortgages will be assessed using an affordability assessment model which takes into account the applicant's income, expenditure and credit payments. (See the Affordability Assessment Calculator available in www.mybrokerveue.com). The Affordability Assessment Calculator will provide a Maximum Affordable Monthly Repayment (MAMR) that Together will accept based on the information provided.

As well as assessing an applicants income and expenditure there are three key elements that need to be considered. These elements are:

- is the income or expenditure stated plausible?
- is the loan payment affordable now?
- is the loan payment sustainable for the period of the loan?

The Affordability Assessment calculator has been built to consider plausibility and sustainability when determining the MAMR; however there are some points that you will need to verify and challenge with the applicant. Please see Affordability Assessment Guide for information on how to complete the calculator.

PLAUSIBILITY

Expenditure

All expenditure declared by applicants should be a realistic reflection of their general spending. You should advise the applicant to use bills, invoices and receipts to help them complete the affordability assessment. Where the expenditure appears unrealistic or lower than we would expect, then we will require a plausible explanation from the applicant as to why their expenditure appears to be low for that particular item. We reserve the right to contact an applicant to confirm their declared expenditure for plausibility to enable the loan to proceed.

Income

Income needs to be appraised to ensure that it appears to be relevant to the occupation that has been stated by the applicant, particularly for self employed applicants. Employment and accountant verification calls may be required to be made by the Underwriter.

Sustainability

It is essential that an applicant can afford the loan throughout the whole term. It is important therefore that the income they have declared will be sustainable for the whole term of the loan, taking into account the monthly cost of their debt may rise and other household emergencies may happen during the term of the loan.

Using Benefit Income

Where the term of the proposed agreement will extend beyond the period in which the applicant will receive particular benefits, e.g. Child Tax Credits, the applicant should provide a plausible explanation as to how the income will be replaced or any

expenditure related to the benefit will be no longer required. The explanation must be assessed for sustainability and plausibility and in some cases we may require proof.

INCOME AND INCOME PROOF

Income proof is required for all applicants in all cases. In instances where the proof of income is the applicant's bank statements (including internet bank statements) please remember to cross reference any other items detailed in the bank statements to those stated for expenditure in the Affordability Assessment Form for accuracy.

Employed Income

Payslips or an 'Employer Confirmation' is required in all cases where the applicant is employed. Please note when an applicant is paid in cash and cheque we will need an Employment Confirmation Form in all cases.

If the applicant receives payslips they should include year to date totals, be computerised or printed and should confirm the applicant's name. If the applicant is paid monthly/4-weekly/ fortnightly we require three of the last five month's payslips. If the applicant is paid weekly we require four from the last six weekly payslips. If the applicant does not receive payslips then an Employers Confirmation must be provided, which is available on www.mybrokerveue.com.

Bonuses paid to applicants on a quarterly / half yearly / yearly basis may be used. Proof of bonus must be obtained. Please see the Affordability Assessment Guide for details.

Probationary Period

Minimum term in employment is 6 months. Applicants who have been employed in a new job under 12 months will be required to evidence they are no longer in a probationary period. Applicants in a probationary period will not be accepted.

Temporary Contract Workers

Applicants on a fixed term, long term or renewable contract, will be considered on a referral basis. Evidence of their contract must be provided in conjunction with the required relevant proofs of income. Short term contracts are not acceptable.

Zero Hours Contracts

Minimum term in current employment is 6 months and 6 months payslips are required. Applicants in a probationary period will not be accepted.

Self Employed Income

Minimum trading period 12 months.

Applicants will be considered to be self employed if they are a:

- Sole Trader (including those who subcontract on an individual or multiple basis);
- Partner who is currently in a Partnership or Limited Liabilities Partnership;
- Shareholder in a Limited company owning more than 20% of any shares issued.

Applicants who employ an Accountant

If the applicant has an Accountant, we require an original copy of the Accountant's Certificate. This must be completed by an Accountant who holds a current practicing certificate and is a member of accepted accounting bodies. For details please see the current Accountant's Certificate.

The net income figure used to complete the Affordability

Assessment is the amount shown on the certificate in the relevant box titled 'Profit after tax + NI (before deducting drawings)' for Sole Traders and Partnerships and the box titled 'Client's total income (dividends + salary) for Directors and Owners of Limited companies. This can be used providing the information provided is less than 6 months old. If the information is greater than 6 months old then the lesser of the amount detailed in the Accountant's Certificate or the projected earnings will be used.

If the applicant's projected earnings are higher than those detailed on the Accountant's Certificate we will require a plausible reason for the increase in net income and confirmation that the increase is sustainable. The Accountant can enter this information into the relevant section of the Accountant's Certificate.

Applicants who do not have an Accountant

If the applicant doesn't have an Accountant then a SA302 or a 100% Submitted Tax Calculation will be accepted both must be submitted with a Tax Overview. SA302 - The HMRC will provide the applicant with an annual SA302 statement which details the applicant's income and deductions and the Tax Overview.

Tax Calculation - We will accept a copy of the "100% Submitted Tax Calculation" from HMRC and the Tax Overview. We will accept either an original or copy of the SA302 / Tax Calculation and Tax Overview that is <12 months old as proof of income providing that the applicant supports their current trading and capacity status with two strong proofs (e.g. original trading invoices which are billed to the applicant, VAT or HMRC correspondence dated within the last 3 months that is relevant to the current trading period, etc).

The net monthly income from the SA302 will be calculated using the following method:

Average Net Income is:

Income for tax purposes - (Income Tax + NI Contributions due for the year) Divided by 12
--

If the applicant doesn't have an Accountant, SA302 or the SA302 that isn't dated within the last 12 months the applicant will need to employ the services of an Accountant, who can then provide an Accountant's Certificate.

Retired and Unemployed Applicants

The net monthly income for the relevant income is calculated using the following method:

- Annual pension - the last annual award statement or P60
- If the applicant doesn't have the requirements above:
- Monthly pension - two payslips or bank statements dated within the last 3 months which shows the credit to their account
 - Annual pension - bank statement showing the amount credited State Pension / Pension Credit / Disability Living Allowance/ Child Tax Credit / Working Tax Credit / Child Benefit/ Widowed Parent's Allowance / Carer's Allowance/ Attendance Allowance accepted, proof required;
 - Award statement for the current year
 - OR two bank statements dated within the last three months

- Applicant provides a letter detailing a satisfactory and plausible explanation that they can sustain the payments once the benefit ceases

Arrangements must be made by:

- made via the Child Support Agency (CSA);

Proof required:

- A certified copy of the CSA Agreement or Court Order.
