Notes

Early repayment charges (ERC)

ERCs are clearly outlined in the Illustration document. They are usually payable during the initial benefit period of a fixed rate or tracker product, when a customer redeems, partially redeems or transfers to a new business scheme or exceeds their annual overpayment limit.

	Fixed Rate Period					10 Year with 5 Year ERCs
	2 Year	3 Year	5 Year	7 Year	10 Year	
Year 1	2%	3%	5%	5%	5%	5%
Year 2	1%	2%	3%	3%	5%	5%
Year 3		1%	3%	3%	3%	3%
Year 4			1%	1%	3%	3%
Year 5			1%	1%	3%	3%
Year 6				1%	1%	
Year 7				1%	1%	
Year 8					1%	
Year 9					1%	
Year 10					1%	

ERCs are dependent on the specific product scheme end date. For example for a 5 year product with a scheme end date of 30.09.24, the ERCs would apply as follows:

Year 1 5% until 30.09.20
 Years 2 and 3 3% until 30.09.22
 Years 4 and 5 1% until 30.09.24

*if the property is unencumbered or there is less than £5,000 outstanding on the current mortgage the maximum LTV is 50%

>350,000 <=750,000	75%	75%
>750,000 <=1,000,000	50%	50%

Overpayments

For all Fixed products, overpayments are restricted to 10% of the outstanding balance per year.

For all Flexx Fixed, Flexx for Term and Flexx Tracker products, there are no restrictions on the amount that can be overpaid.

Flexx for Term

This is a variable rate subject to change in line with the customer's mortgage terms and conditions, which is managed by the Society, and is set independently of both its Standard Variable Rate and the Bank of England Base Rate.

Standard Variable Rate (SVR)

Our Standard Variable Rate is currently 4.99%.

Privilege Rate

The Privilege Rate is only available to existing borrowers, with a residential owner-occupier mortgage, who have remained on the same mortgage product and/or the Society's Standard Variable Rate (SVR) for a total period of five years or more. The Privilege Rate, which is variable, is set independently of, but will not be higher than, the Standard Variable Rate and is currently set at 4.74%.

Bank of England Base Rate (BBR)

The Bank of England Base Rate is currently 0.75%.

Tracker Mortgages

Tracker products launched from 8 September 2016 will have a 1.00% floor, which means the rate payable will not go below 1.00% during the initial scheme period.

Benefits

We will cover the cost of one standard mortgage valuation up to £670 for standard residential new business applications and £700 for BTL new business applications. Where a homebuyers has been requested, we will discount the cost of this by the amount of the standard mortgage valuation.

RMTS – Your clients can take advantage of our quick and easy Remortgage Transfer Service when they transfer their existing mortgage to a new product with us.

Payment holiday option – Providing the first six monthly payments on the mortgage have been made and the account is not in arrears, a payment holiday may be requested. Restrictions apply to the number and frequency of payment holidays that may be taken.

The £500 cashback incentive is only available on selected products for purchase and first time buyer applications. It will be paid into the account specified on the application form via faster payment within 30 days of the mortgage completing.

We respect that your customers are your customers – not ours. We won't cross-sell insurance to your clients. At maturity, we'll simply direct them back to where their journey with us began – and that's you.

We don't think it's fair to offer direct customers preferential treatment. So we'll give your clients, whether new or existing, the same products at the same rates and with the same service as our direct customers. And your clients have the same access to our new business products as our direct customers do.

WE'LL GIVE YOUR CUSTOMERS
THE SAME **PRODUCTS,**

Your support teams

Our UK based Intermediary Support team is here to help you throughout the mortgage application process and we aim to answer your call in under 30 seconds. We also recognise the value a Business Development Manager can add to your business. That's why we give all brokers 2 BDMs – one in the field and one on the phone.
