General information

For details of all our qualifying criteria please see our online criteria guide

Affordability

ICR
Interest Coverage Ratio (ICR) will be calculated between 125%-160% dependant on the applicant's tax band and individual circumstances. Limited Company applications will be calculated at 125%.

Top slicing

The rental income for the property must be a minimum of 110% of the payment when calculated at the pay rate of the chosen product. Surplus income from an applicant's existing property portfolio (in the first instance) or surplus earned income can then be used to demonstrate affordability against the ICR required for the loan based on our current lending criteria at the assessment rate for the chosen product (not available to first time buyers).

5 year+ fixed rate requirements

For fixed rates of 5 years and above the affordability assessment will be calculated at the pay rate of the chosen product. Additional underwriting checks will be required when LTV is greater than 60% and the minimum ICR has not been met at an interest rate of 5.50%. Checks will include consideration of earned income, assets and liabilities, and net worth.

Repayment methods

- ▶ Capital and interest.
- ▶ Interest only.

Free remortgage legal service (England and Wales)

If the applicant selects a product that includes the free remortgage legal service, please be aware that this service is provided by Goldsmith Williams-Gwlegal. The standard legal work to remortgage their property will be carried out at no cost to the applicant. Any additional legal work will not be included, this will include:

- ▶ any charges or fees relating to any non-standard work that Goldsmith Williams-Gwlegal has to carry out, such as dealing with a change of name on the title deeds, a transfer of equity or the rectification of a defective title;
- ▶ any fees such as mining or any other unusual search fees or fees for first registration of the title at the Land Registry;
- ▶ any fees or charges payable in respect of a leasehold property under the terms of the lease such as the fee payable to the landlord or managing agent for registering the mortgage with the landlord or his agent;
- ▶ any charges or fees relating to the repayment of any credit as specified in the Mortgage Offer.

Goldsmith Williams-Gwlegal will give the applicant(s) a quotation for any additional work before it is carried out.

LIBOR Trackers and the Reversion Rate

LIBOR Trackers and the reversion rate are variable rates that are linked to 3 month LIBOR and will change quarterly on 12 March, 12 June, 12 September, 12 December. Please note if this date falls on a non-working day then the LIBOR rate will be taken on the previous working day.

All of our LIBOR tracker products have a floor. This means that if LIBOR were to fall to 0.00% or less the rate payable will be 0.00% plus the agreed set percentage above LIBOR. This means that the rate payable will never go below 0.00% plus the additional percentage rate of the tracker mortgage.
